

Computing Talk Card

Predict

I believe that ...
I think that ...
I noticed that ...
This will happen ...

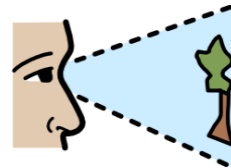

Experiment

To change the code ...
To fix the problem ...
To explore ...

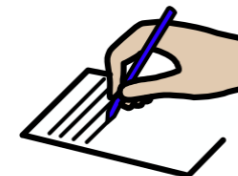

Observe

I have noticed ...
I have observed ...
It is clear that ...

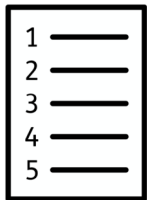

Plan

I will plan to ...
I will test ...
I will create ...

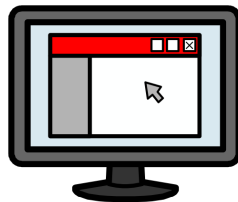

Evaluate

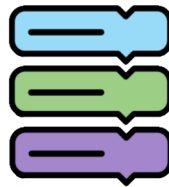

In conclusion ...
After investigating ...
The results show ...
Next time, I will ...
