

Portfields Post

It's been an extremely warm week in school this week but the children have coped amazingly well. It's been lovely to see all the learning that has been happening and speak to the year 3 children all about their local walks to the high street and the history of some of the buildings.

This week we had a visit from our local authority advisor who carried out a safeguarding inspection. She was delighted with what she saw and all the measures we have in place to ensure children are safe at all times. She was amazed at how well the children knew how to keep themselves safe and the importance of respecting others.

We have also had our athletics competition trials during lunchtimes this week. A huge well done to everyone who took part and a big thank you to all the staff who gave up their time to ensure these were able to take place. The team will now get together and use the information from the trials to select a team to represent the school on Friday 20th June.

This afternoon Green Team headed onto the playground for their extra break time for finishing the last half term with the most house points. It wasn't quite as sunny as it has been this week, but they all looked like they were having lots of fun nonetheless.

I hope you have a lovely long weekend and I look forward to seeing you all on Tuesday.

Mrs Folkard.
