

Portfields Post

We've had another wonderful week in the sun this week with lots of superb learning across the school.

Our Year 6 children have been cooking their own three-course meals in the bistro having researched and planned their choices. It has left a fabulous smell in that part of the school.

We've also had our annual art exhibition, which this year included examples of creative writing as well as a range of mediums of art. On Friday, all of the classes made their way around the exhibition to celebrate the fantastic efforts.

We finished the week by taking a group of 24 children to Stantonbury Athletics Track to compete in the MK Athletics competition. At the time of writing this, we are unsure of the outcome but know all of the children will have done themselves and our school proud.

Next week, I am heading on my annual holiday (The Year 6 residential to the Isle of Wight) and looking forward to having the opportunity to see the children take part in lots of fun activities. It's a really great end to their time at Portfields and one which they will cherish for years to come.

Next week also sees the EYFS, Year 1 and Year 2 sports day. Please, if possible, send your child to school wearing a t-shirt for their house colour. Children will also need to wear their PE kit bottoms and trainers on this day.

Please remember, as the sunny weather sets to continue, to send your child to school wearing suncream, with a water bottle and a hat.

Mrs Folkard.
