

# Design and Technology Talk Card

## Explore

Investigate	Compare
Experiment	Evaluate
Analyse	Existing
Study	Variation

I researched ...

I investigated ...

I analysed ...

It would seem ...

In conclusion ...

My research has shown ...

## Design

Map out	Sketch
Draft	Design
Outline	Plan

This particular part of my design is ...

This is influenced by ...

The purpose of my design is...

I will use these materials because ...

I am meeting the design criteria by...

## Make

Build	Assemble
Produce	Construct
Adapt	Strengthen

I will need ...

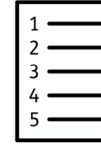

It is important that I ...

I am using ... because ...

I have realised ... so ...

I have changed my original design because ...

... is better because ...

## Evaluate

Review	Compare
Assess	Evaluate
Judge	Amend

I am pleased with my final product because ...

I was successful with ...

One area I found challenging was ...

Evaluating my product, I would change ...

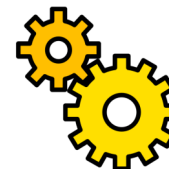

Food

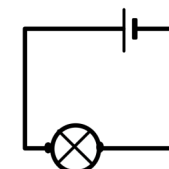

Textiles

Structures

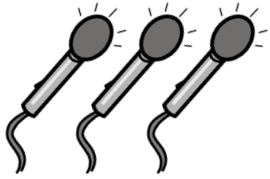

Mechanical Systems

Electrical Systems

Digital World
