

Portfields Post

We had lots of very excited children this week who attended the Young Voices concert at the o2 Arena on Wednesday and some extremely tired faces on Thursday! From all the stories I have been told, it sounds like one of the best yet and I'm disappointed to have missed it.

We have another jam packed sporting schedule this half term but it has been difficult to field teams at all events. If you have responded that your child is unable to attend, and it is due to transport, please make sure you contact the school office and we will do our best to facilitate their attendance. We wouldn't want transport logistics to prevent anyone from having these experiences.

Finally, a quick reminder that as the temperature continues to drop, please make sure your child is attending school with suitable clothing. Playtime continues to be outside, as do many of the PE lessons and we wouldn't want any of the children getting too cold.

Have a lovely weekend,

Mrs Folkard.

Notices

Year 2 Science Investigation

Year 2 has an exciting Science investigation planned for next week but we need 500ml bottles. If you have any 500ml bottles at home, please can you bring them in and hand them to your class teacher. Thank you!

Glass bottles/tupperware

Please be reminded that we don't allow any glass bottles or glass tupperware in school. We have had several incidents recently of glass being brought in and accidentally smashed.

Year 4 Woodrow

We have had several children ask for pictures and information about the upcoming Year 4 trip to Woodrow. The following link will take you to an interactive tour of the rooms, activities and grounds.
